The Alexandria and Washington ferry steamer Belle Haven is again faid on for some necessary repairs to her machinery and as a consequence only one loat was on the ferry route yesterday. There is a general demand on the part of the travelling public between Alexandria and Washington for a new boat that can be be depended on to run on the schedule advertised.

It is understood that Rev. W. H. Mc-Allister, pastor of Trinity M. E. Many of the workers, who have been subsent at the sea-shore or on the mountain top, have returned and taken their accustomed place in the ranks of those who delight to carry the lidings of great joy to the care-worn, the sin-burdened and the outcast. The work at the main-hall, on the gospel wagon and at the other branches is also being pushed for all it is worth, and God is one of the gayest social events of the season-occurred Wednesday evening at Lenox, Mass., where society is enforing the early autimin season, when Mr. Jameson Cotting entertained at a folly party, at which Washington was well represented. Pianos,

which we have been using lately for our window display have become slightly disfigured from the effects of the sun shining on the varnish. They are perfect on the interior and have a magnificent tone. The regular price of the instrument is \$350, but we will make a special "drive" with them to-day for

each. Remember, they are fully warranted for six years. Both have the third or tock pedat. Terms—The easiest.
